FAQ'S:

Q: Can I submit a medical photo?

A: This exhibit is to share our members' (and all attendees) hidden artistic talents, and we prefer no medical photographs be submitted.

Q: After I submit my photo, what then?

A: Entries received by the deadline will be labeled with the attendee's name, city, state/province, country and photo title, if applicable. Each entrant is responsible for picking up their own photographs at the end of the meeting. No photos will be returned after the meeting.

Q: Can my spouse or child submit a photo instead?

A: Yes, if you do not wish to submit a photo, your spouse or child may do so on your behalf. As a registered attendee you can submit up to three matted photos.

Q: Is there a prize?

A: There is no prize, but all entries will have the option of displaying their photo on the IPEG website.

Remember, the most important rule of all is to HAVE FUN!
